

## Donate

Regional Animal Services of King County gladly accepts donations for helping our animals. You can donate online, send cash donations or see our wish list for other items to contribute. Cash donations can be made to any of the following four funds:

- **Benefit Bequest Fund**

An overall donation account that may be used for any program, service or purchase that benefits the animals including, but not limited to, facility improvements, services for hard-to-place animals, or any of the services outlined in the Spay/Neuter, Help the Animals, or Animal Retention Fund.

- **Spay/Neuter Fund**

Donations may be used to pay or off-set the cost of spaying and neutering of pets, promote public awareness about the benefits and importance of spaying and neutering, or to purchase new spay and neuter equipment that may not otherwise be obtained.

- **Help the Animals Fund (Angel Fund)**

Donations may be used to provide shelter and/or veterinary care for abused animals or pay for medical care associated with rehabilitating sick and injured animals through the shelter's Foster Care Program.

- **Animal Retention Fund**

Donations may be used for such activities as developing public education videos, advertisements, classes or other programs that promote responsible pet ownership or provide tools for correcting animal behavior.

## Foster

Help us save more lives! Open your heart and your home to dogs/puppies and cats/kittens who need to get well or get bigger before they can be adopted out. Sick animals get better faster in a stress-free environment. Your home is the perfect place for them to get one-on-one attention and the love they need to grow and/or get well. We provide food, supplies, and veterinary care while they are being fostered.

## Foster Care for Special Needs Animals

Dogs and cats with special medical needs or behavior issues can require extra care from a special foster home before being available for adoption. By opening your home to these animals, you are providing them with extra time and special assistance before their new home is found.

We also have a need for Foster Care when the Pet Adoption Center is over capacity. Fostering is a great experience and a great way to involve the whole family in volunteering. Foster homes expand our walls to help more animals.

- It is a requirement that all foster animals be indoor animals and not kept outdoors.
- Age requirement: You must be 18 years or older to foster. If you live at home you must bring a parent or head of the household with you to the training, and they must also complete paperwork to become a foster parent.
- Physical requirement: You must be able to transport animals to and from the center for vet care as needed.
- Required training: Volunteer Orientation/Foster Care training. Call 206-296-3946 for a schedule and other details.

## Volunteer

The dogs and cats at RASKC rely on volunteers to provide them with care, nurturing and exercise while they wait to be adopted into their forever homes. For most volunteer opportunities, be prepared to commit roughly two hours each week for at least six months. Applicants may be selected based upon age.

We offer many volunteer opportunities, including:

- Cat Team at Pet Adoption Center
- Cat Team at Offsite Adoption Partner Locations
- Foster Care
- Dog Team

To apply:

- Complete and return the volunteer application on the Volunteer page at [www.kingcounty.gov/pets](http://www.kingcounty.gov/pets)
- Attend the required Policies and Procedures orientation
- Participate in the classroom and “hands on” trainings with the animals

For more information, call our volunteer program manager at 206-296-3946 or visit our website [www.kingcounty.gov/pets](http://www.kingcounty.gov/pets).

Donations and designations can be made online, or designate below which of the four funds your donation is for and send form and check to:

### Regional Animal Services of King County

Attn: Donation

500 Fourth Avenue, Room 403, Seattle, WA 98104

[www.kingcounty.gov/safety/AnimalServices/donate.aspx](http://www.kingcounty.gov/safety/AnimalServices/donate.aspx)

Note: Undesignated donations are earmarked for the Benefit Bequest Fund.
